- Vitality member £20
- Juvenile (aged 11-18 in the calendar year of membership) - £10
- If join post 30th September:-
- Adult £15
- Juvenile £5
- Members are required to complete a Membership Application each year

Club Sessions - Members

Attendance at the Monday and/or Thursday a.m. sessions

If the member is not a Leisureplex / Vitality cardholder, the appropriate hourly payment must be made to the Leisureplex staff at the Reception Desk, on arrival and a receipt obtained, name noted thereon and the annotated receipt left with the attendance register.

If the member is a Leisureplex / Vitality cardholder, the Vitality membership card should be presented / registered at the Reception Desk, on arrival. (ie. irrespective of whether or not the individual has booked a court for that session)

With respect to attendance at evening sessions

A charge of £5 is payable to Lisburn Pickleball Club via Spond. (As this session is block booked by Lisburn Pickleball Club, no hourly payment is required to be made to the Leisureplex by a member who is not a Leisureplex / Vitality cardholder.)

Novice Players

Due to strong demand and limited court time, we're unfortunately not in a position to cater for beginners or those new to the sport at this time.

Guests

Subject to the guest being a minimum of DUPR level 3.0 (self-assessed), a member may invite a guest to a Club morning session on a maximum of three occasions per calendar year. No guest fee is payable to the Club, however if the guest is not a Leisureplex / Vitality cardholder, the appropriate hourly payment must be made to the Leisureplex staff at the Reception Desk, on arrival and a receipt obtained, the name noted thereon and the annotated receipt left with the Guest / Visitor log.

If the guest is a Leisureplex / Vitality cardholder, the Vitality membership card should be presented / registered at the Reception Desk, on arrival.

Unfortunately, due to the limited number of places available it is not possible to accommodate guests at evening sessions other than by direct invitation from the committee.

Visitors

Subject to being a minimum of DUPR level 3.0 (self-assessed), anyone interested in coming along to play as a visitor at a Lisburn Pickleball Club morning session should contact the Club in advance via the Club website <https://lisburnpickleball.club> - indicating which Club session(s) (maximum 3 per calendar year) he / she wishes to attend. Only once the proposed attendance is accepted, can the visitor play at the scheduled session(s).

Visitors are allowed to attend a maximum of three Club sessions per calendar year.

No visitor fee is payable to the Club, however the same payment arrangements as for Guests above apply.

As for guests, unfortunately, due to the limited number of places available it is not possible to accommodate visitors at evening sessions.

Guests / Visitors

For insurance purposes, whether as a guest and/or as a visitor, the same person can only attend a maximum of three Lisburn Pickleball Club sessions in a calendar year.

Guest / visitor details will be recorded by a designated Lisburn Pickleball Club member in the Guest / Visitor log, available at each Club session.

Note

Lisburn Pickleball Club Committee have the right to reject, suspend or terminate a person's participation in Club sessions (including trial sessions) where the person's conduct is deemed by the Committee to be irresponsible or reckless such as to endanger or harm themselves or others, or where, in the Committee's view, the person repeatedly and blatantly breaches the Club's Safety Guidelines and/or Code of Conduct.
